Regular weekly occasional care sessions can be booked– please ask the childcare staff. Class participants requiring childcare should book for the number of weeks of the class. Before leaving your child for the first time please contact the Childcare Coordinator to organise an orientation visit to discuss your child's needs including any medical conditions, allergies or behavioural issues.

Mitcham Community House Childcare Service is registered with the Department of Health and Human Services Licence ID: SE: 00015741 to care for a maximum for up to 15 children aged 1-6 years, depending on the regulated child to staff ratios.

Our Diploma qualified Childcare Coordinator is assisted by Certified 3 staff, all with First Aid training. All childcare staff and volunteers have a current 'Working with Children Check' and 'Police Check'. We will be applying next year to become approved for the childcare subsidy which, for eligible families, will greatly reduce the cost of their childcare.
